

T/A- PETRO FUEL DISCOUNT!

TRANSPORT INVESTMENTS HAS NEGOTIATED A GREAT DISCOUNT WITH THE T/A- PETRO CHAIN OF TRUCK STOPS THAT WILL PROVIDE DEEP DISCOUNTS FROM THE POSTED PUMP PRICE.

- YOUR COST FOR FUEL AT T/As AND PETROs WILL BE “COST +”. IN OTHER WORDS, YOUR PRICE WILL BE THEIR COST FOR THAT GALLON OF FUEL, + A FEW CENTS PER GALLON.
- THIS DISCOUNT WILL GENERALLY RESULT IN A PRICE TO YOU OF 10-20 CENTS LESS THAN THE PUMP PRICE. IT COULD EVEN EXCEED 30 CENTS PER GALLON!
- THERE ARE OCCASIONS WHEN THE COST + PRICE IS HIGHER THAN THE POSTED PUMP PRICE. IN THIS CASE, YOU WILL RECEIVE A MINIMUM DISCOUNT OF 2.5 CENTS PER GALLON AT T/A LOCATIONS, AND 3 CENTS AT PETRO. YOU WILL NEVER PAY MORE THAN THE POSTED PUMP PRICE.
- YOU MUST USE OUR COMPANY COMCARD OR EFS CARD TO OBTAIN THE DISCOUNT.
- ALL TII CONTRACTORS ARE ELIGIBLE.
- THE DISCOUNTED PRICE WILL NOT SHOW ON YOUR FUEL SLIP. YOU MUST CHECK YOUR CARD BALANCE BEFORE AND AFTER YOU PURCHASE FUEL TO DETERMINE THE ACTUAL PRICE YOU PAID.
- YOU CAN ALSO CALL THEIR FUEL HOTLINE TO RESEARCH THE PUMP PRICE AND THEIR COST PER GALLON AT ANY LOCATION ON ANY DAY. THEIR COST MAY CHANGE FROM DAY TO DAY. CONTACT YOUR CENTRAL DISPATCH FOR A LIST OF LOCATION CODES AND THE HOTLINE PHONE NUMBER.
- A FEW LOCATIONS DO NOT PARTICIPATE. REFERENCE THE LOCATION DIRECTORY AVAILABLE FROM YOUR CENTRAL DISPATCH.

WE WILL CONTINUE TO WORK HARD TO ENSURE YOUR SUCCESS!
